

## FMT-02

DAB+ / Bluetooth  
In-Car Adapter

Color  
Black

More and more tabletop radios are equipped with DAB+, but there's not much you can do with your car stereo system. The hassle-free FMT-02 is here to save the day, all you need to do is hook it up to your existing system with just a few easy steps for your journey into the digital world! Simple connection via the car outlet or by USB port to the FMT-02 DAB adapter sitting on the provided front windshield attachment. You're all set for your favorite tunes with quality reception once the external antenna is plugged in!

dab+ Bluetooth® R-D-S
