

## AQUATIC 200 H200

Portable Waterproof  
Bluetooth Speaker

The Aquatic 200 is a portable waterproof speaker with Bluetooth version 4.1 class II. In combination with the NFC technology allows simple pairing and connecting your device. A built-in lithium-ion rechargeable battery will allow for many hours of listening. Charge your bath or pool companion through Micro USB charging port or USB power adapter. The H200 is waterproof with a JIS7 rating and is completely submersible. A convenient folding and collapsible makes the Aquatic 200 ready to hang or place wherever you need it.
