Important safety instructions

1. Please read these instructions carefully.

2. Please keep these instructions for future reference.

3. Do not use this apparatus near water.

4. Clean only with dry cloth.

5. Do not use this apparatus near open flames.

6. Do not use this apparatus near heat sources such as radiators, heat registers, stoves or other appliances (including amplifiers) that produce heat.

7. Do not install near any heat sources such as radiators, heat registers, stoves or other appliances (including amplifiers) that produce heat.

8. Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two flat blades in the wider than the other. A grounding-type plug has two flat blades and a third grounding prong. The wide blade or the third prong are provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.

9. Protect the power cord from being walked on or pinched particularly at the point where it exits from the device.

10. Only use attachments / accessories approved by the manufacturer.

11. Do not use any extension cord, power strip, bracket or table supplied by the manufacturer or other accessories (including amplifiers) with this apparatus. When a cart is used, use caution when moving the cart / apparatus combination to avoid injury from the cart wheels.

12. Unplug this apparatus during lightning storms or when unused for a long period of time.

13. Refer all servicing to qualified service personnel. Service is required when the

apparatus has been damaged in any way, such as power-supply cord or plug has been damaged, liquid has been spilled on the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally or has been dropped.

14. Apparatus shall not be operated to dripping or splashing and no objects filled with liquids, such as vases, shall be placed on the apparatus.

15. To reduce the risk of fire or electric shock, do not expose this apparatus to rain or sufficient strong.

16. The battery shall not be exposed to excessive heat such as sunshine, fire or the like.

17. CAUTION: Danger of explosion if battery is incorrectly replaced. Replace only the same or equivalent type.

18. To prevent possible hearing damage, do not listen at high volume for long periods of time.

19. This apparatus is provided with protection against overheating and will automatically shut down if it overheats.

20. The battery should be used or stored at an ambient temperature above 11.6 kA; otherwise it may cause the battery to explode or leak.

21. CAUTION: To reduce the risk of the electric shock, do not perform any servicing other than that contained in the operating instructions unless you are qualified to do so.
