

## PR-D3

AM/FM  
Portable Digital Tuning Radio

Color

Black

PR-D3 is designed for long-range reception and audio clarity, it turns weak signals strong and also produces crisp, accurate audio for broadcasted news. The outstanding AM performance comes from SANGEAN's tailor-made 200mm bar antenna with our groundbreaking Tracking-less Technology. The traditional FM reception is also exceptional in its ability to bring in a weak station clearly. Audio can be adjusted for accurate, warmer voice, and even elevated musical performance. The PR-D3 is definitely one of the must-have portable radios out there that offer the best AM radio reception, which without a doubt is SANGEAN's flagship radio of all times.
