

UTILITY 30 U3

FM / AM

Ultra Rugged Digital Tuning Radio Receiver

Men and women have long desired a radio that would withstand accidental dropping and other rugged abuse. The Utility 30 is the answer for anyone who is seeking a sturdier, more reliable music system for tougher use. It is water resistant. With 10 programmable memories and an alarm clock, this radio is the only one you'll need on those long camping trips, or in your garage or workspace. The U-3 even has the ability to charge cell phones.

The Utility 3 has 10 station presets (5 FM, 5 AM) and is an ultra rugged and water resistant (JIS 4) radio.
